2. BUILD

[ENGINEERING, PROCUREMENT AND CONSTRUCTION]

We carry out all the detailed engineering design of the project, procure all the equipment and Materials necessary and then construct to deliver a functioning facility or asset to our clients. We also execute and deliver the project within an agreed time and budget, which is also known as a Lump Sum Turn Key(LSTK) Contract. An EPC LSTK Contract places the risk for schedule and budget on the EPC Contractor.

3. PMC

[PROJECT MANAGEMENT CONSULTANCY]

Our experienced project manager are located across India and have specialized information to meet complete challenges in construction, development , fit-out, and refurbishment and relocation projects. We know that ideal return, quick turnaround and minimal risk are a priority. Our fair-minded guidance regularly prompts overall project cast saving, and increased cast and programmed certainly, we all probably project our client's interests constantly.

We provide a full range of advisory and practical project management services, Including :

- Project Specification and Management
- Due Diligence of Sites/acquisitions
- Maintenance and Building lifecycle Planning
- Service Specification and Procurement
- Fit-out Design and Specification
- Contractor Approval and Monitoring
